Our mission is to serve delicious food and provide great service while treating and paying our employees with the utmost respect and fairness and engaging in sustainable business practices. We support local farmers, local producers and our regional economy by procuring our ingredients from local and sustainable sources as much as possible.

“Before placing your order, please inform your server if a person in your party has a food allergy.”

Consuming raw or undercooked eggs or meat can increase your risk for food-borne illness.

We offer Gluten Free items as a service to our customers with food allergies or dietary restrictions. We cannot guarantee against the possibility of cross-contamination by airborne wheat flour, and cannot guarantee that your order will be 100% safe for your needs.

Customers must assume their own level of risk according to their needs as determined by themselves in consultation with a physician.

To our Vegetarian Customers: Our Parmesan cheese is the only cheese we use that contains animal-derived coagulants (rennet). Our crust is usually baked with added parmesan, so please inform us if you need your pizza made without parmesan.

Local. Sustainable. Fair.
